Welcome to the Deep Tech Start-up Summit

Join us for two power-packed days at the Deep Tech Startup Summit 2025, where innovation meets impact! Discover cutting-edge deep tech, connect with industry leaders, and explore the future of technology in India and beyond.

This summit is designed to bring together the brightest minds in deep technology, fostering collaboration, enabling funding, and sparking policy discourse for responsible deep tech development. Whether you are a start-up, investor, academic, or industry leader, this event offers unparalleled opportunities to engage with the future of technology.

Cutting Edge Innovations

Showcase of deep tech advancements across various sectors.

Expert Panels

Discussions on start-up success, industry-academia collaboration, and ethics.

Networking Opportunities

Connect with investors, researchers, and startups

Day 1

Invention to Impact

Day 1 focuses on the journey from groundbreaking inventions to real-world impact, featuring insights from industry pioneers and showcasing innovative solutions.

01

Opening Keynote

Explore the future of Deep Tech in National & Global Contexts.

02

Panel: Start-ups that made it

Learn from founders of scaled-up deep tech startups.

03

Tech Talk (Track 1)

Dive into applications in Defence, including AI-powered surveillance and autonomous robotics.

04

Start-up Pitches

Witness ground breaking solutions in Defence & Security.

05

Panel: Academia-Industry Synergy

Understand how research translates into successful start-ups

06

Product Expo Tour

Experience physical demos of robotic systems, IoT devices, and medical AI.

Day 2

Scale & Solve

Day 2 shifts focus to scaling deep tech solutions and addressing critical challenges in various sectors, culminating in an awards ceremony.

01

Keynote: Deep Tech for Humanity

A vision talk from a global thought leader.

02

Tech Talks (Track 2)

Discover applications in Healthcare & Agriculture, such as precision farming, robotic surgery, and AI diagnostics.

03

Panel: From Lab to Market

Learn about commercializing research, IP-tech transfer, and regulatory hurdles.

04

Start-up Pitches

See innovative solutions in Health & Agri Tech.

05

Panel: Scaling Deep Tech Start-ups

Gain insights on talent, manufacturing, and early customers.

06

Awards & Closing Ceremony

Celebrate the Best Pitch, Most Promising Tech, and People's Choice.

Visitor & Participant Pass : Your Gateway to Innovation

Secure your spot at the Deep Tech Star-up Summit 2025 for just ₹499 for two days! This pass grants you full access to all the enriching sessions and networking opportunities.

Don't miss out on "Engineering the Future!" This is your chance to immerse yourself in the world of deep tech, connect with pioneers, and be part of shaping India's technological landscape.

Click or Scan here!

Registration Fee: ₹499/-

Your pass includes:

- Basic Registration Kit
- Delicious Lunch & Snacks
- Full Access to all Panel Discussions

Sponsorship Opportunities:

Partner with the Future

The Deep Tech Start-up Summit 2025 is a premier platform to unite the brightest minds in deep technology. By sponsoring, you will gain prominent visibility and contribute to the advancement of deep tech in India.

Showcase Innovations

Prominently feature cutting-edge deep tech advancements.

Facilitate Collaboration

Connect start-ups, academia, industry, and government bodies.

Enable Funding & Partnerships

Support ground breaking solutions with crucial resources.

Spark Policy Discourse

Influence responsible deep tech development.

Reach key stakeholders including Government Bodies, Academic Institutions, Leading Industries, Influential Investors & Accelerators.

Exhibitor Opportunities:

Showcase. Connect. Grow.

As an Exhibitor at the Deep Tech Start-up Summit 2025, you get a high-visibility platform to showcase your products, prototypes, and research to a targeted audience of investors, industry leaders, policymakers, and academia.

Direct Access to Decision-Makers

Engage with investors, corporates, accelerators, and government representatives.

Live Demonstrations

Connect start-ups, academia, industry, and government bodies.

Market Validation

Receive instant feedback from industry experts, potential customers, and tech enthusiasts.

Collaboration Opportunities

Network with start-ups, research labs, and potential partners for co-development.

Click or Scan here to secure your spot!

Exhibitor Fee & benefits: ₹5,000/-per stall (5x5ft)

- Dedicated Stall Space to showcase your product/service.
- Brand Exposure across event materials, website, and social media.
- Full Access Passes to all sessions and networking events.
- Inclusion in the Product Expo Tour, attracting media and VIP guests.

Secure your space and let the world see what you've built!

Startup Pitch Competition:

Pitch Your Way to the Future!

The Start-up Pitch Competition at the Deep Tech Start-up Summit 2025 is your moment to shine. Present your breakthrough deep tech solution to a live audience of investors, industry veterans, and innovation champions.

Why Participate?

- Investor Exposure: Present directly to VCs, angel investors, and corporate venture arms.
- Media Visibility: Get noticed by tech journalists and media partners.
- Expert Feedback: Receive constructive input from a panel of seasoned entrepreneurs and domain experts.
- Funding & Partnerships: Stand a chance to secure funding, incubation, or strategic collaborations.

Pitch Format & Awards:

5-Minute Pitch + 3-Minute Q&A with the jury.

Shortlisted finalists will compete for:

- Best Pitch Award
- Most Promising Technology Award
- People's Choice Award
- Opportunity to be Incubated at Co-Innovation Centre in Collaboration with IHFC, TIH, IIT Delhi (With a Seed Funding of upto Rs 25 Lakhs)

Click or Scan here to
secure your spot!

Registration Fee: ₹2,000/-
per team/startup. Spots are limited. Secure your chance to be the next deep tech success story!
